

WATERFRONT FESTIVAL

The goal of the Sound School Waterfront Festival is to bring the whole Sound School community together to spend a day on water and land, and welcome our incoming Freshman class.

The Festival is a sponsored by PAC, on our beautiful waterfront campus on Oyster Point in New Haven.

Rowing, sailing, music food, raffles, information about student groups tours and more make up the attractions.

We also provide space for vendors and student entrepreneurs. All profits from the Festival are used to fund the PAC Capstone Scholarships Awards held every year for Senior students and other student activities throughout the following school year.

Your involvement is a critical part of your student's experience at Sound. Please sign up! You will be added to the list of PAC families who are updated daily with school information & activities through our email blasts.

PAC dues are \$10 per family. Your dues, as well as the time you volunteer, will support curriculum, events and scholarships. PAC is one of your most important links to Sound School. Join us at our monthly meetings on Wednesdays at 6:00 pm in the Foote Library.

PARENT ADVISORY COUNCIL (PAC)

- PAC is an organization of Sound School parents representing over 20 different towns
- We meet monthly & provide an opportunity for parents to hear directly from the Principal and from other community members
- PAC wants to enhance Parent & Student involvement by sponsoring a variety of activities and events
- We provide information to the Sound School community through daily e-mails

Our organizational objectives are:

- To support the mission of The Sound School;
- To participate in the administration of The Sound School by adding the parents' point of view to the development of school policy, procedure, resource allocation and curriculum;
- To aid in communication between the school, home and community;
- To provide or create open forums for discussing issues pertaining to The Sound School between Parents and school administration;
- To provide advocacy on behalf of the school to the community including (but not limited to) The Board of Education of New Haven and local towns.

HOLIDAY FAIR

Our Holiday Fair allows student entrepreneurs and school groups to showcase their work or product and raise funds for different purposes; such as college, school trips, activities or simply to have a little extra cash in their pockets.
