

CODE BOOLA

April 15th
9:00AM to 4:30PM

Watson Center
60 Sachem Street

Free Admission
Registration required at
<http://codeboola.yhack.org>.
Open to high school students only.

Code Boola is a one-day learnathon taught by Yale students, where high schoolers have the opportunity to learn basic programming skills and computer science concepts through hands-on workshops. Breakfast and lunch provided.
