

Community Service Opportunities in New Haven Summer 2018

Urban Resources Initiative

New Haven, Connecticut

New Haven Urban Resources Initiative (URI) is a local non-profit/Yale University partnership that runs **Community Greenspace**, a program that enables community volunteer groups to beautify their neighborhoods' streetscapes, parks, and/or vacant lots. Most Greenspace groups meet weekly at a regular time and location.

URI would love to have you whether it's for a few hours or more frequently over the summer! We will provide community service credit for your time and contributions.

Activities may include tree planting and gardening (weeding, mulching, watering, and planting perennials and shrubs), path building, and other infrastructure projects.

Work gloves and tools are provided. Please wear closed-toe shoes and clothes that can get dirty. Some groups meet rain or shine, so dress appropriately.

If you have any questions, contact URI at 203-432-6189 or uri@yale.edu.
